

Boroday, S., Petrenko, A. and Ulrich, A. "Test Suite Consistency Verification" In *Proceedings of the 6th IEEE East-West Design & Test Symposium (EWDTS 2008)*, pp. 235-238. Lviv, Ukraine, October 9-13, 2008.

**Abstract**

Test cases are themselves prone to errors, thus techniques and tools to validate tests are needed. In this paper, we suggest a method to check mutual consistency of tests in a test suite.
